

Organizational/Agency Applicant

To Whom It May Concern:

When your application is received back in our office we will contact you to inform you of the date and time of the next Operation Round Up[®] Board of Directors meeting. The Board would like to request and strongly encourage someone from your organization/agency to attend the meeting to give a short five minute informal presentation and answer any questions that the Board may have about your application.

If for some reason a representative is not available to attend the Board meeting, we would request that you attach a cover letter when submitting your application explaining the amount of funds you are requesting, the specific purpose of the funds and any other information you feel is pertinent to the request. In the absence of a representative, if someone would be available at the time of the meeting to be contacted by phone, please include that information in the cover letter as well.

If you have any questions or need further information about the application or the Board of Directors meeting, please do not hesitate to contact me.

DATE

The Operation Round-up® board normally meets on the Tuesday before the fourth Wednesday each month, if there are any applications for assistance. Please submit your application at least ten (10) days before the normal meeting date, so there is adequate time to prepare an agenda and notify our board members that we will be meeting. If no applications are submitted ten (10) days before the normal meeting date, a meeting probably will not be called and your application probably will not be considered until the following month. Exceptions may be made for emergency requests for assistance, and normal board meeting dates may be changed in case of conflicts.
